Subject: REALIZING PAKISTAN'S POTENTIAL IN EXPORT OF HUMAN RESOURCE

It is commendable that Ministry of OP&HRD is doing its best with due focus on realizing Pakistan's potential in the export of human resource. The work accomplished by the ministry and Heads of Missions abroad with the strategic focus and collaboration will definitely lead for the effective utilization of country's workforce both at national and international vistas.

Consequent to above and yesterday's discussion, the distinct needs identified and job demands available in the different geographic regions of the world, trained skilled force data has been prepared. These candidates are willing for jobs abroad and readily available to proceed. A career portal to assimilate data of such candidates is live with link careers.tevta.gop.pk. In compliance of the directions, trade wise detail of the approx. 27000 pass-outs along with their duration of training are enclosed for information and further necessary process, as desired. These inter-governmental efforts shall enable the export of manpower more precisely to destination countries.

Profound regards,

Brig. Muhammad Sajid Khokhar, SI(M), Retd.  
 Chairperson TEVTA, Punjab
